Want to [attract women now](#)? Great. You came to the right place. By attracting women now, you simply develop a fun and adventurous life style. A ton of exciting and young women will be attracted to you.

You could be a rock climber and be a welder in the daytime just to pay the bills.

A mountain biker but lawyer by day.

A local high school History teacher but a passionate writer of fiction writing the next great American novel.

A dentist by day, while on the weekend a race car driver.

A world traveler that's a gardener.

A ski bum but also a trash man.

A cabbie by day but surfer in the summer.

It's only healthy in your life to build an awesome life-style and by default, you will [attract a woman now](#). Your life is about the passion you have for it rather than what you do for a living. Having nothing that's passionate in your life? You are going to have to find something. Otherwise you will make the woman your life and that is very bad.

What drives your life: know what that is. Ask: why do you do the thing that you do.

Look, I am not talking about why you want to have sex or why you want to get wasted drinking with your buddies; no I am not talking about that.

That's not the passion I am thinking about. Why do you love surfing or biking or writing. That's what I am talking about.

Women, loves guys that live life to the fullest and that's the surest way to attract women now. Follow your passion by whay drives you. For you, you need to do this for you and only you.

Follow your passion and make no apologies about who you are and that will naturally [attract women](#) to you.

Never ever let a woman steal you passion from you ever.

Women just hate a man that will do things to for thm and to change their passions--they simply hate that. Please read that again if you are confused. Read it 10 times if you have to.

You will inherit a lot of grief of you do not follow that advise. It's kinda like this:

"If you don't believe in yourself and your life, who will."

Make your life interesting and passionate and the girls will follow by default!
